

CLLPAG would like to welcome new Board member John Doyle. John hails from Newfoundland, we look forward to having him on Board.

International Workshop on CLL (iWCLL)

International Workshop on CLL (iWCLL) has published new guidelines. This is an important document for all CLL patients. You can access it here: [2018 iWCLL Guidelines](#)

Advances in Front-line Treatment of CLL

Lymphoma Canada has a new webinar, featuring Dr. Versha Banerji. Click the link to be taken to the registration site to view the video. [Webinar registration](#)

2018 Canadian CLL meeting

Board Director Kathy Green's report on the Canadian CLL meeting in Winnipeg can be found on the CLLPAG website [14th-Canadian-CLL-Research-Meeting](#)

CURE® Magazine names 2018 CLL Heroes

CLLPAG is proud to honour the first CLL heroes – Dr. John Byrd (a renowned CLL specialist and researcher from Ohio State University Comprehensive Cancer Center), patient advocate Christopher Dwyer, Dr. Brian Koffman (patient and founder of CLL Society) and patient advocate Lisa Minkove (patient who supported other female patients through a Facebook group). Click here to read the full article: [2018 CLL Heroes](#)

Canadian evidence-based guidelines for first-line treatment of chronic lymphocytic leukemia have been published in Current Oncology.
